Sir,

Sub:- Promotions in and to the cadre of Surgeons

With reference to your letter No.12233/C.B. dated 30th November 1950, on the above subject, I have the honour to state that the post of the District Medical Officer, Mysore State Railways was proposed to be taken into account for purposes of promotions to the cadre of Surgeons in view of the sanction accorded in F.O.No.M.12571-73/Med.84-49-7 dated 4-10-1950 to raise the number of Surgeons to 17. The post of the District Medical Officer has always been held by a Surgeon and it is only as a temporary measure, pending final decision, that an Assistant Surgeon Class I has been posted to do duty as District Medical Officer. Proposals for posting an officer of the grade of Surgeon were also submitted to Government and their orders are still awaited. It was in these circumstances that the post of Surgeon was proposed to be filled up by promotion. If, in view of the General Manager's letter dated 28-8-1950, the post of the District Medical Officer, Mysore Railways is to be considered as that of an Assistant Surgeon Class I, the number of Surgeons has to be reduced by one and the promotions proposed may be modified as shown in the enclosed statement.
